We need volunteers to help serve food and drinks to kids and hand out gifts. *Volunteers should try to be at the BRVC by 4PM to help set-up if possible. We hope to provide gifts to approximately 50 deserving kids filling their holiday with joy and excitement. Highlights are Clifford the Dog and Mr. Santa Claus himself. It is a great evening for all.*

## Jaycees Help North Country Children's Clinic in **BIG** Way

For those that might have missed the December 1, 2009 Watertown Daily Times you missed the article, "Clinic program is saved." The first sentence of the article reads, "The Greater Watertown Jaycees will save the North Country Children's Clinic unmet needs program which provides free prescriptions to area individuals."

That's right, our *High Rolling for a Cause* casino night at the Black River Valley Club on October 30 raised **\$3,500** for the Children's Clinic. The Clinic is able to continue its unmet needs fund which was down to its last \$100.

Congratulations to Erika Flint and her team for organizing such a successful event!
