High Rolling for A Cause 2010 We Need Your Help!!

Yes...it's only February but we **NEED** to start planning for another successful High Rolling for A Cause **TODAY**. We need to identify sponsors, games, among others and the recipient organization of this year's proceeds. Last year the recipient was the North Country Children's Clinic. Your input in selecting an organization is welcomed and the planning committee will make a selection at its first meeting in March. Our only requirements are that the organization provide a community benefit; be a 501(c)(3) charitable organization; and actively participate on the planning committee.

If you are interested in joining the committee or have suggestions please contact AmberLee Clement @ amberlee.clement@us.army.mil
