So Many Happy Faces...

The Jaycees **Toys for Tots** Christmas Party was held December 17 at the Black River Valley Club. As you can see from the picture to the right the kids were the focus of the evening.

We began with a visit from **CLIFFORD THE BIG RED DOG** (thanks Brent!) who was a hit. Next up was dinner with Jaycees serving pizza to our 50 young guests followed by dessert. The main attraction for the evening was the man himself-**SANTA** with his bags full of goodies.

Thank you to all Jaycees and non-Jaycees that helped at the party and to bag gifts on the Tuesday night before. Thank you to Kinney Drugs for donating the bags for the gifts; to the Black River Valley Club for letting us use their front room to bag and store gifts; and to Frank Doldo for volunteering his time as our special guest, Mr. Claus. *I think we can all say it is for a good cause!!!*

Emerge NNY Event Update

At its meeting Jan. 5, the board decided to move the Emerge NNY summit from the Fall when it has been historically held to late Spring. The reason for this move is due to the availability of space at Jefferson Community College. The Jaycees are constrained to holding the event when classes are not in session. We are limited in the fall to holidays which has hindered our attendance. By moving the event to Spring we will be able to choose a better day for the event and boost attendance. In doing so we will not have Emerge in 2010 but will hold it again in May 2011. We are also moving our Young Professionals (YP) Day from the Spring to Fall to accommodate the change in the Emerge event. Therefore YP Day will be held in October 2010.
