## Join us for our Power Lunch and Dinner Series

We know Jaycees are busy people in the community, at home and at work. So we are making it easier for YOU! We are alternating our bi-monthly speakers series between the lunch hour (Noon-1 PM) and dinner (5:30PM—7PM) to better accommodate your schedule.

On February 11, the North Country Children's Clinic hosted the Jaycees Power

Lunch at their offices on Arsenal Street. We learned a great deal about the health and dental services being offered to children both in schools and at the clinic itself. Health services at the clinic are available to all children in the community. We also were updated on all of the wonderful things that our funds from High Rolling for a Cause have been used for in addition to the Unmet Needs Fund. Children have received coats and other necessary items to maintain their health and safety.

Thank you to Aileen Martin and her staff, especially Elaine Garvey and Jaycees Jennifer Hodge and Joey Marie Horton!

We will follow with a **very important** Jaycees meeting to discuss our organizational structure and Emerge.
