***JCC's Extended Learning Center -
A Community Asset***

On Tuesday, April 13 Jaycees were given a tour by fellow Jaycee and Dean for Continuing Education, Jill Bettinger, of JCC's new Extended Learning Center. The interactive classrooms, study areas and break room are designed with the student in mind. JCC will be able to offer four year degree programs in Watertown through colleges and universities that will co-locate staff in the new building. This is a great opportunity to retain our area's youth in pursuing higher education at home rather than leaving the area.

The next Power Dinner will be June 16 from 5:30-7:00 PM at the Fairgrounds YMCA. Join us as we speak with Peter Schmitt, Director of the YMCA, about activities and programming for adults and children in the area. Dinner will be provided.

**The Olympics are Back...
Average Joe's that Is!**

The Average Joe's Olympics are back this year on **Saturday, June 12 from 3-9 PM at Joe's Tavern** on Coffeen Street, Watertown.

This fun event not only raises funds for the Jaycees, but gives you a good excuse to spend the day with friends. Get your team together today. Cost is \$50 per team of 2.

**High Rolling for A Cause—
