Emerge NNY + High Rolling for a Cause = *A Great October for the Jaycees!!!*

Emerge NNY 2009, *Leveraging Our Assets*, was held October 12 at JCC. Attendees learned about the assets of our region from the experts themselves. The Power Lunch provided participants with the opportunity to voice their concerns about the strengths and weaknesses of our region and engage in solutions for positive growth. The results from our Power Lunch will be available in mid-November.

A special "thank you" goes to our sponsors the JCJDC, WIB, Carthage Savings, JCC, Stephens Media Group, WWTI, and Watertown Daily Times.

High Rolling for a Cause—Roaring 1920's Style was held on October 30 at the Black River Valley Club. The casino style party brought out over 100 1920's-dressed participants that helped us raise \$3,000 for the North Country Children's Clinic. Specifically, the funds will go in their "Unmet Needs Fund" which provides prescription drugs for under-insured or uninsured children. Great Job Erika Flint and her Committee!
