YP Day a HUGE Success

On May 15, 2008 the Greater Watertown Jaycees hosted its second annual Young Professionals Day. The day began with *Cohesiveness in the Workplace* presented by the Army Family Team Building Group. The interactive session gave participants valuable tips for building strong, interactive teams.

At noon, the Jaycees, in partnership with the Jefferson-Lewis Workforce Investment Board, hosted over 80 members and community leaders for the second annual Young Professionals Awards program. This year we honored three outstanding leaders in the areas of business, arts and culture, and civic engagement. Recognized for their achievements were Eric King, Fort Drum, Mike Lumbis, Watertown, for his role with Tree Watertown, and Shay Richards, Lowville, for her involvement with Harvest of the Arts. Keynote speaker John Johnson was motivating with his speech on leadership and team building. Thank you to all who participated!
